CONCERNING THE STUDENT

Please list previous schools attended, including any years of home schooling.

Name of School	City and State	Grades

Does the child have any allergies, chronic physical ailments, or conditions that would limit his or her physical activities within the Academy program? Please describe.

Does the child have any learning differences, social difficulties, or behavioral challenges? If yes, please attach a response that fully addresses the following questions:

Have those difficulties resulted in disciplinary measures in the past? Has s/he ever been referred for professional evaluation of such difficulties? If evaluations occurred, what feedback was provided? Were medications or other types of interventions recommended? To what extent have the recommendations been followed and with what results? Is the child currently receiving any support services relating to such issues? Might the child's LCA teachers be asked to collaborate in those services or to make accommodations for the child's needs? Would the school be permitted to consult with these service providers in the effort to make a sound placement decision? If the child were enrolled at LCA, would the school be allowed access to the child's service providers as needed regarding any learning differences, social difficulties, or behavioral challenges that our staff needed to address? All responses will be treated with strict confidentiality.

Comment on the extent to which your child reads for pleasure, and list some works of literature your child has read in the course of language arts study over the past year, noting any that were particular favorites.

Note foreign languages studied in an academic setting, including the setting and the years of study, including any foreign languages spoken at home.

Describe your child's experience of mathematics education, specifying if possible the textbook he or she has used over the past year.

Describe your child's experience of science education, noting any science fair projects or science exploration undertaken for personal curiosity.

Describe your child's experience with fine arts, including visual arts, drama, dance, musical instruments, or choral singing experience.

CONCERNING THE FAMILY AND SCHOOL PARTNERSHIP

What are your sources of information about the Academy, e.g. an acquaintance with a current family, review of the school's website, acquaintance with its faculty, etc?

What elements of the Academy program are most attractive to you as parents or guardians?

What elements of the Academy program are most attractive to your child?

Are there any facets of your child's learning and development that you perceive to be the exclusive realm of either the school or of the family? Please explain.

What virtues or attributes would you most like your child to develop?

To what extent are you able and willing to volunteer at the Academy, and what kinds of support can you envision?

Course Selection

Please indicate the courses in which you seek enrollment for your child.
